

Dear Children,

Tuesday 19th January

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Computing
Tuesday	<p>Starter: Flashback 4</p> <p>Daily Mental Maths: Complete the mental maths questions. Answers are attached.</p> <p>Division: <i>Dividing 4-digit numbers by a single digit.</i></p> <p>Work through the teaching slides and complete the calculations and reasoning problems on the slides.</p>	<p>Guided Reading Task;</p> <p><i>Planet Earth</i> Reading Comprehension. Please read the text and complete the questions attached. There are 3 levels for you to choose an appropriate level of challenge. * Easy **Medium *** Hard</p> <p>DEAR Time: Enjoy a book of your choice for a minimum of 20minutes.</p> <p>Class Reader: Jazz Harper Space Explorer Ebook</p> <p>Please read Chapter 4 over the next 2 days.</p>	<p>SPaG: <i>Modal Verbs</i> (see separate slides for information about this.)</p> <p>54321 Spellings for this week: <i>caught, exercise, increase, opposite, regular, women.</i></p> <p>Writing task: This week's writing task is to write a formal letter of application (job application) for an imaginary job on the planet Mars. Read through the teaching slides, completing the activities then use the separate planning sheet to plan your job application. There is also a word bank of useful words and phrases to help.</p>	<p><i>What makes a good webpage?</i></p> <p>Read through the attached teaching slides which explain the importance of staying safe on the Internet, how to carry out advanced searches and the features to look out for when evaluating webpages. Complete the activity sheet then take a screenshot of one of the webpages you liked and annotate it (details of how to do this on the teaching slides.)</p>

Daily challenge	Try the attached 15-Minute STEM (Science, Technology, Engineering and Maths) activity. It is fun to do and only requires minimal equipment.
