

Dear Children,

Thursday 7<sup>th</sup> January

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Art
Thursday	<p>Starter: Flashback 4</p> <p>Daily Mental Maths: Complete the mental maths questions. Answers are attached.</p> <p>Multiplication – written method for 2 digit by 2 digits.</p> <p>Complete the teaching slides and then complete the attached sheet (Multiply 2 digit by 2 digit)</p> <p>Extension: Maths reasoning challenges</p>	<p>Guided Reading Task;</p> <p>Mars the red planet fact file. Please read the text and complete the questions attached. There are 3 levels for you to choose an appropriate level of challenge. * Easy **Medium *** Hard</p> <p>DEAR Time: Enjoy a book of your choice for a minimum of 20minutes.</p> <p>Class Reader: Jazz Harper Space Explorer Ebook</p> <p>Please read Chapter 1 over the next 2 days.</p>	<p>SPaG: Relative clauses</p> <p>Spellings for this week: business, eighth, history, occasionally, question, weight</p> <p>Writing task: On Monday we introduced a Non-chronological report based on the International Space Station. (Please see attached the model text that we shared on Monday with the children)</p> <p>Please research and plan your non-chronological report. See teaching slides for detailed information about the task.</p> <p><b>Please note: We have attached a Y5 sentence mat for your reference</b></p>	<p>Our Art over the next few weeks is going to focus on creating a piece of Artwork in the style of Peter Thorpe.</p> <p>We are aware that you may not have the same materials at home, however we would ask you to be creative and create a piece of artwork using either recyclable materials, Lego, chalk, coloured pencils or even digitally.</p> <p>Please spend some time looking at examples of his space art on the teaching slides and plan your piece of artwork today. We will begin creating our piece of art next week.</p>

			Please note we will ask you to write the text tomorrow and will give further detailed then.	
Daily challenge	Can you find out some facts about the planet Mars?
