

# Design a Reading Nook

Where do you love to read a book? Snuggled on a chair? Under the covers in bed with a torch? In a tent in the garden? Wrapped in a blanket? Under the table? On a cushion on the floor? Under a tree? On a park bench? The possibilities are endless, but where would your favourite place be?

What is you could design your own reading space? What would your design look like? Draw an annotated and illustrated picture of how you would like your reading space to look.
