

# Year 3 Easter Holiday Homework

## Week 2

### Making Cards

While you might not be able to visit family and friends this Easter, you can still reach them with old fashioned letters. Grab some card and get out some pens, paint, glitter or whatever else you have lying around and make some Easter cards.

### Easter Activity

Decorate an Egg using what you have in your house.

### Outdoor Games

#### **Have an egg and spoon race**

If you're lucky enough to have a garden, grab some spoons and boiled eggs to host an egg and spoon race. First to cross the finish line without dropping their egg is the winner!

### Planting in Spring

#### **Do some planting**

Easter marks the arrival of Spring after a long period of cold - so there's no better time to do some flower planting with your family. Not having a garden is no barrier to this - with many plants able to grow happily inside. Some garden centres and other online stores are currently offering delivery of seeds and bulbs, so have a shop around to see what's available.

### Recycled Games

If you've got some empty egg cartons lying around, don't recycle them just yet - you can use them to make your own bunny-themed Draughts board to keep kids busy. The tutorial for this can be found at [this link](#).

### Clue Hunt

Everything's a bit more fun with a little mystery. You'll have to hide the eggs and candy separately, but seeing your little ones have that "aha!" moment will make it worth it.

### Obstacle Course

Set up a simple obstacle course in the backyard or even the living room and give it a fun Easter theme. Lots of hopping, eggs on spoons, egg throwing and catching, and maybe even some bowling with a hard-boiled egg to knock over the pins.

### Easter Brownie Bites

Tucked inside these scrumptious brownie bites are mini eggs - they're a perfectly sized sweet treat that's fun to make with the kids in the Easter holidays. Find the ingredients [here](#).

### "Egg" Toss

Head into your garden and split your group into pairs. Have each pair toss water balloon "eggs" back and forth. When someone drops an egg, their team is out. You can also play this game inside by using plastic eggs filled with sweets or confetti.
