Greek Vase Patterns

BM&AG

The Ancient Greeks loved making patterns especially on vases.
Finish off some of these Ancient Greek patterns.

Have a go at designing your own Greek pottery.
You can choose the shape of your vase, but the shape must be based on one of the images that you have seen.
Think carefully about the patterns you choose, they should be consistent across that part of the vase.

Your design must have some pattern work (in horizontal strips) and include some pictures of life in Ancient Greece – use these examples to help you.
