

Year 3 Homework grid

Home Learning

Please choose and complete one activity each week from this grid. Remember, presentation is very important. This is an extension of your school work, so school expectations must be maintained. **Do not use biro, coloured pencils or pens to write with.**

Superhuman Power!

*Use information books and the web to find out about Guinness World Record holders and their achievements.
Write about what you found out.

Magnets

Make a poster on the topic of magnets. You could include things like what happens when different poles are put together, different types of magnets, interesting facts etc.
Remember, posters should be clear and eye catching.

Costumes

Design a costume for a superhero. It might be a new costume for a Superhero you know, or a costume for a completely new Superhero.

Shadow Puppets

Choose a well-known traditional tale. Design and create some shadow puppets for the different characters.
Entertain your friends and family with your shadow puppet show, then bring the shadow puppets into school. We will see if we can identify the story they are from.

Marvel vs. DC Superheroes

Make a set of 8 Top Trump cards, by researching superheroes. You might include things like height, strength, speed, intelligence (You will have to make some judgements on these!).
These will stay in school for our Wet Play time box.

Maths Soduko

Complete the Soduko puzzle:

	4			2		1	9	
			3	5	1		8	6
3	1			9	4	7		
	9	4						7
2						8	9	
		9	5	2			4	1
4	2		1	6	9			
1	6		8				7	

Superhero story

Write your own Superhero story.

What Super power would you have?

If you could have a super power, what would it be?
Would you be able to fly? Become invisible? See through buildings? Draw a comic strip about an adventure you might have.
