

Hi Everyone,

We hope you are all continuing to keep safe and well and managing with the work given. Remember that we are fully behind supporting you to complete what you can in your own way in what's a difficult time. We will both be in touch over the coming days to catch up again and find out how you all are. Please don't panic if you see an 'unknown number' we are not selling car insurance!

We are continuing to monitor the use of Times Tables Rockstars, Sumdog and Numbots. Challenges and competitions are posted regularly on Sumdog with specific skills targeted so please keep up with this as much as you are able to. This competition this week has got off to a good start with 17 of you already taking part. It is neck and neck at the moment! The following competition will focus on spelling so keep an eye out for this.

As well as ParentMail, our Home Learning can be accessed via the school website - <https://yarmprimaryschool.net/parents/home-working>

Week 2 - Part 2
