Reception
Week 2

	Maths Activities	English Activities	Creative Activities
Monday	Choose four numbers between 1 and 20. Can you place them in the correct order from smallest to largest? Repeat with different numbers.	Use the picture to write story. 	Go on the hunt for used boxes, tubes and pots. Can you make an amazing model with them? Can you draw a picture and write about your model?
Tuesday	Go on a shape hunt around your house and name and describe the shapes that you can find. Make a list or take photos of the shapes and objects you find.	Pretend you have visited another country. Write a postcard to tell a friend all about your adventures.	Go on an old photo hunt looking at pictures of yourself and your family. How have people changed?
Wednesday	Create a repeating pattern using toys, food or natural objects you have found in your garden.	Write a set of instructions telling people how to wash their hands.	Design a healthy meal. Write a list of ingredients. What makes your meal healthy?
Thursday	Create your own board game and make up your own rules.	Make a poster to tell people all the different ways to keep healthy.	Go on a senses hunt around your house and outside. What can you see, hear, smell, touch and taste?
Friday	Chose number between 1 and 20. Can you say/write the number that is one more or one less than this number?	Choose an animal to research. Find out facts about the animal. Choose how you record what you find out e.g. poster, booklet	Ask a grown up to show you how to make a paper aeroplane. Test them outside, measure the distance with a tape measure. Which one goes the furthest?
