

12.2.21 Maths – 'A' Task

Use your knowledge of fractions to help you to answer the following questions.

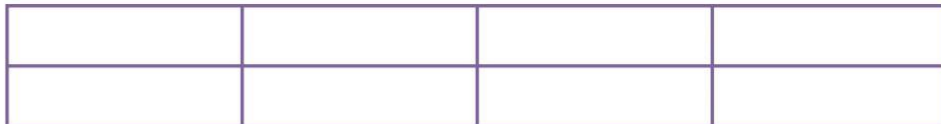

1. Colour in one half ($\frac{1}{2}$) of this shape.

2. Colour in one quarter ($\frac{1}{4}$) of this shape.

3. Colour in one quarter ($\frac{1}{4}$) of this shape.

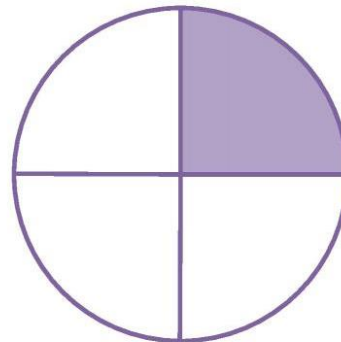

4. Circle one half of these buttons:

5. Look at this shape.

What fraction of it is shaded?

Colour in more of the shape so that $\frac{1}{2}$ is shaded.

6. Find $\frac{1}{2}$ of these amounts:

4 →	6 →	10 →	12 →	20 →
-----------	-----------	------------	------------	------------
