

## Activity 2: Writing pirate commands

Imagine you are the captain of a pirate ship. You'll need to be very bossy and give lots of commands to make sure the other pirates are doing what they are meant to be doing.

Write four command sentences that a pirate would use.

- Make sure you use capital letters at the start and correct punctuation.
- Use the word **and** in your sentences to join ideas together.

Here are a couple of examples to help you:

Drop the anchor and load the cannons.

Collect my treasure and bring it to me.
