

## YEAR 5 - MUSIC- SPACE-CLANGERS (THE IRON CHICKEN)

Here is a video on You Tube for you to watch. It is called "clangers - the iron chicken" (here are the links. This videos can also be accessed via YP Nation page - Playlists - Y5 Space)

Task - Answer the questions

1. Can you name 3 musical instruments that appear at the beginning?
2. What type of instrument is used for the Clangers' voices?
3. What happens to the pitch of Major Clanger's voice as he is counting down for the rocket launch
4. What happens to the sound at 4 minutes 36 seconds?
5. What 2 instruments play when the Clangers run down to the Soup Dragon?
6. What sound appears when the Iron Chicken lays an egg?

Performance Task - Collect some objects to use as percussion (any instruments you can hit, scrape or shake.) If you have any real musical instruments at home you could use those too. (Remember to get permission first when using these items.)

Replay the video with the sound off/muted and use your objects/instruments to represent the sounds effects and music. So you have created the new soundtrack to the video. Well Done!

Practice a few times so you can improve your timing.
