Can you find a story about Pirates?
Enjoy reading it with a grown up. Can
you talk about what happens in the
story?

Look on a world map (or Google
Earth). Can you spot all the seas?
What are the seas made from?

Ships and Boats float on the water.
Can you find some objects and find out
if they float or sink. Do you know why
certain things float or sink? Bath time
would be a great time to try this!

Can you make your own Pirate Ship?

Pirate Activities.
**You may want to choose a
couple of the activities to
complete.**

Can you draw a treasure map?

Pirates collect Treasure. Treasure are
things which are precious. Have you
got any precious treasure? Can you
make a treasure chest to put your
precious things in?

If you can, have a day at the beach.
Imagine you can see pirate ships in the
sea! Explore the beach. What can you
see and find? Can you draw pictures,
make marks or patterns or write your
name in the sand?

Can you collect some treasure from
your garden or the beach? This might
be stones / shells / interesting things.
Can you count the things you have
collected? Think about ways you could
sort your treasure into groups.
