Page Layout

Learning Objective

- I am learning how to create website layout.

Success Criteria

I will be successful if:

- I can create a new webpage.
- I can create a layout for a webpage.

Layouts

Open your annotated evaluation of a webpage from last week.

What are the most important features to include?

Annotation Example

exciting logo repeated around the page

clear menu to other parts of the site

funky background

layout in columns

photos of faces

lots of engaging images

lots of links to other material

Activity Sheet Fill in the Blanks

Think of some questions about our Space topic:

e.g. Who was the first person in space?

Turn them into statements with a * for the missing word:

e.g. The first person in space was*

Search the Internet (using Google) for one question and statement.

List some of the returned results – which do you think is better?

Fill in the Blanks

Write some questions about your learning in class.
Turn the questions into a statement with a * as the answer to the question.

Question	Search Statement
Where did the Mayans live?	The Mayans lived in *

Now, search a question and the statement with * and compare the results. Indicate which set of returned results you think is better. Follow one link and list some relevant information.

Question:	Statement:

twinkl.co.uk

New Page

You are going to create your own webpage for our class website about Space.

1. Go to Google Sites and login with:

Gmail account: yearfive20@gmail.com
Password: YarmPS20

2. Open the site to be edited (Year 5 Website Design Unit)

3. Create a new page.

4. Type in your name as the page name and something spaced-themed (e.g. *Paul's Galaxy Adventure!*)

Insert   **Pages**   Themes

Filter pages

Home

Mr Jefferies

+

Background and Layout

5. Click the Themes tab.

6. Choose a theme for the page, colours and font style.

7. Click on the Insert Tab and choose a Layout for your webpage.

EXTENSION:

Start to include images and text boxes.

Remember: search sensibly! Your images should be linked to our Space topic.

Think about which Space facts you can add to your text boxes!

Signing Out

Remember to sign out from the account!

Next week, we will focus on adding text and images to the webpage.

If you would like to take a photo or screenshot to upload to Class Dojo, that would be great but don't worry; just upload the
Fill in the Blanks activity sheet.

We hope you had fun today!

Plenary

Did you find using a question of statement with * more effective?

What information did you find out?

Why did you choose the layout you did?

What difficulties did you have?
