

# Design and Make a Rocket Rocket Designs

## Design Criteria

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

**Draw annotated pictures of your designs.**

What tools/equipment will you use?

---

---

What materials will you use?

---

---

How will you join your materials? (e.g. nose cone, fins etc.)

---

---

---

How will you make your rocket aerodynamic?

---

---

---

How will you make it? (Use numbered steps and time connectives e.g. *Firstly*, *Next* etc.)

---
