

Spring term - 2nd half
Year 4 Homework grid

Please choose and complete one activity each week from this grid. This should be completed and handed in **every THURSDAY**. Remember, presentation is very important. This is an extension of your school work, so school expectations must be maintained.
Do not write with biro, coloured pencils or pens.

<p>Read a holiday brochure on Norway, Sweden or Denmark and find out what attracts people to holiday there. Write a short report with illustrations.</p>	<p>Create a leaflet to inform others about the water cycle. How many scientific words can you include and explain?</p>  <p style="text-align: center;">THE WATER CYCLE</p>	<p style="text-align: center;"><u>Logic Problem</u></p> <p>You have a basket containing ten apples. You have ten friends, who each desire an apple. You give each friend one apple.</p> <p>Now all your friends have one apple each, yet there is an apple remaining in the basket. How?</p>
<p>Can you research a Norwegian woven heart, and make one? What do you think they could be used for?</p> 	<p>How many words can you make out of 'Scandinavian Country'?</p> <p>Words must contain 4 or more letters.</p> <p style="background-color: yellow;">Challenge: Write an exciting sentence containing at least two or more of your words. Can you use a sentence type?</p>	<p>What is the link between Roald Dahl and Norway?</p> <p>Write a short paragraph to explain.</p>
<p>Research and produce a small fact file on Norway, Sweden, Denmark, Finland or Iceland, containing the most interesting facts you can find.</p>	<p>As a family activity, take some photographs of our local area.</p> <p>This could include: local towns, rivers, coastlines, moorland and hills.</p>	<p>Practice your 8 and 9 multiplication tables. You must achieve rapid recall of the facts and the associated divisions (within 3 seconds).</p>
