A 1

Sort the shapes into the Carroll diagram. The shapes aren't drawn to scale, but one box covers 1cm<sup>2</sup>.

	Shape has 4 sides	Shape doesn't have 4 sides
Area of 12cm <sup>2</sup>		
Area of 16cm <sup>2</sup>		
A B	C D	E

- 2 Draw another shape that would fit into each box from the diagram above.
- Draw at least two rectangles for each of the following areas:

8cm<sup>2</sup>

11cm<sup>2</sup>

16cm<sup>2</sup>

24cm<sup>2</sup>
