

Dear Children,

DATE 7/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Thursday	The Maths lessons will follow the same structure that the children are familiar with. The Maths pdf to begin with each day is the pdf which is dated and has the learning objective for the title (Today the pdf to start with is called ' 7.1.21 Decimals up to 2dp '). This starts with the arithmetic questions, then the Flashback 4 questions and then the Barvember questions (The children know which Barvember questions they normally complete – questions 1 and 2 are easier than 3 and 4.) Once they have completed those sections the slides will then show the learning objective for	For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about the Tour de France, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!	Hello, you have 2 documents to help you with your writing task today. One has the pages for the King Midas story that you must read, the other has slides that should help you develop your writing. PDF – Thursday + writing tasks.	Computing Open the pdf ' Fake News '. Follow the slides. You can watch the video using this link https://www.youtube.com/watch?v=QAwL0O5nXe0&lc=z13ny1mhfumedda1z23otvcqzfpdbe0h.1498153608516925 You can play the Kahoot quiz using this link https://create.kahoot.it/share/enter-kahoot-title/1aa8eb0a-cf61-4dc9-b047-db2a1952e3f7 Record some ways that you can ensure that would help someone to not fall for fake news.

	<p>the lesson. The success criteria and then the vocabulary used within the lesson. The next few slides will show worked examples and questions to aid the children's learning and to help with the completion of the activities. The last slide on the initial pdf is titled 'Plenary'. This last slide with a 'True or False' question on is to be completed at the very end of the lesson.</p> <p>The next step is to choose which activity to complete. This will have the day and date and then an A, B or C (e.g. Thursday 7.1.21 A) The children choose which sheet to complete (and again they know which sheet they normally complete, A is easier than b which is easier than C.</p> <p>Once they have completed that activity they then choose a Problem A, Problem B or Problem C sheet</p>			<p>True or False Kahoot quiz https://create.kahoot.it/share/true-or-false/093d40f3-5247-498c-bfe0-d2564b310fba</p> <p>Art</p> <p>Use the pdf 'Greek vase Art Lesson' to discover the features of the vases.</p> <p>Use the pdf 'Greek Vase Patterns' to practise different patterns before creating your own Ancient Greek vase.</p>
--	---	--	--	--

	<p>(Sometimes A and B or B and C will be on the same sheet). They can now go back to the Plenary 'True or False' question.</p> <p>If you think your child is choosing the wrong sheet, then please get in touch and we will let you know which sheets they typically attempt.</p>			
Daily challenge / Did you know?	Did you know that Aristotle tutored Alexander the Great? If not research both of these people to learn more about Ancient Greece.
