

Dear Children,

DATE 29/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Friday	<p>Please use the pdf <b>29.1.21 Arithmetic and challenges</b> pdf for the units conversion starter, Flashback 4 and then the Problem of the day challenge.</p> <p>Children are to complete the <b>Arithmetic test pdf</b> questions.</p> <p>They can then watch the <b>White Rose Maths video 'Day 4 – Dashing through the snow</b> or follow along on the <b>Problems</b> slides (both options show the questions). If you are using the slides, remember to stop on the slides that say 'Have a think,' as these show the questions (after which</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Holi, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will complete your story about Odysseus and the cyclops. Then.....you must edit and check your writing (this is the most important bit, so make sure you do it!).</p>	<p>PSHE</p> <p>Our question that we will be exploring today is 'How can we make the world a better place?'</p> <p>We have looked at the Earth day comprehension this week, which may give you some ideas (but remember it doesn't just have to be about recycling). Your ideas could be simple and easy suggestions or more complex suggestions. We would like you to think about how you (as an individual) could make the world a better place. How could we as a school community make the world a better place? What could we do to make our school community better?</p>

	<p>come the solutions).          There is also a <b>Problems and clues</b> pdf, which gives some hints for how you could start to solve the problem.  <a href="https://whiterosemaths.com/homelearning/year-6/activity-week/">https://whiterosemaths.com/homelearning/year-6/activity-week/</a></p>			<p>You can record your ideas as creatively as you like.</p>
<p>Daily challenge /          Did you know?</p>	<p>Greece borders with 4 countries – what are they?</p>
