

Dear Children,

DATE 12/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Friday	<p>Please use the pdf 12.2.21 Arithmetic and challenges pdf for the units conversion starter, Flashback 4 and then the Problem of the day challenge.</p> <p>Children are to complete the Arithmetic test pdf questions.</p> <p>They can then watch the White Rose Maths video 'Day 2 – Snowflakes, snowflakes all around or follow along on the Problems questions slides (both options show the questions). If you are using the slides or video, remember to stop on the slides/part that says, 'Have a think,' as these</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about the Valentina Tereshkova; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you should have completed all of your writing for the week! Well done! Now is the time to make your reports look beautiful. Blank spaces are a big NO! We want colour and drawings – be creative.</p>	<p>PSHE</p> <p>Today we are thinking about our personal successes this year and our further goals. What have been your successes this year? (You can include things inside and outside of school.)</p> <p>What are your goals for the remainder of the year? How will you achieve them? What do you need to achieve them?</p> <p>You can present your responses to these in any suitable way that you wish.</p>

	show the questions (after which come the solutions). https://whiterosemaths.com/homelearning/year-6/activity-week/			
Daily challenge / Did you know?	Have you had an attempt at the Kahoot quiz?
