

Dear Children,

DATE 26/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Friday	<p>Today's Friday maths lesson is slightly different to previous Friday's. We would like you to complete the arithmetic test as usual, but rather than maths problems to solve, we have some questions about prime numbers. You can use the video in the link below to help you with this lesson.</p> <p>Please use the pdf 26.2.21 Arithmetic and prime numbers pdf for the units conversion starter, Flashback 4 and then the Problem of the day challenge.</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about a day at the zoo. Once you've completed your comprehension, please mark it with the answers underneath.</p>	<p>Today year 6 you will complete your character description – use the slides to help you edit and check your work. Make sure you include everything on the criteria!</p>	<p>MUSIC Please see the slides from Mr Newton</p>

	<p>Children are to complete the Arithmetic test pdf questions.</p> <p>They can then watch the White Rose Maths video Primes to 100 ' https://whiterosemaths.com/homelearning/year-6/week-7-number-addition-subtraction-multiplication-division/ or use the slides to help support the identification of prime numbers.</p>			
Daily challenge / Did you know?	<p>How many words can you make using these letters? What is the longest letter you can make? A E N M T O H L R S I</p>
