

Dear Children,

DATE 25/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

| | Maths | Reading | Writing | OTHER SUBJECT AREA |
|--------|--|--|---|--|
| Monday | <p>Please use the pdf 25.1.21 Decimals recap pdf for the arithmetic, Flashback 4 and then the Problem of the Day challenge (this replaces the Barvember challenges from previous weeks)</p> <p>The children are to then complete the Decimals recap sheet pdf. They should try to complete this using their understanding of the previous weeks, but they can use the previous decimals videos (found on the White Rose Maths website) using the links below</p> | <p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Earth Day, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p> | <p>Today year 6 you will work through your SPAG challenges around pronouns. Then, write as many pronouns for the cyclops and for Odysseus as you can. Finally make a timeline for what we know so far about this cyclops chapter in Odysseus.</p> <p>This will help for later in the week when you have to write a 6 paragraph story about the cyclops and Odysseus, but all will become clear tomorrow....</p> | <p>SPAG</p> <p>Complete SPAG sheet pdf. You can have a look at how you have done from the SPAG sheet answers pdf sheet.</p> <p>Computing We would like you to explore the other Google Interland islands (if you haven't already) and we would like you to create a poster of the important learning from each of the 'Islands'. You can record this how you wish, but we need information from each of the four islands.</p> <p>MUSIC</p> |
