

Dear Children,

DATE 1/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Monday	<p>The White Rose Maths videos have warm up and practise questions which can help support the children's learning. There video linked to today's lesson can be found in the link below <b>(Percentages – missing values)</b>: <a href="https://whiterosemaths.com/homelearning/year-6/spring-week-4-number-percentages-2/">https://whiterosemaths.com/homelearning/year-6/spring-week-4-number-percentages-2/</a> Please use the pdf <b>1.2.21 Percentages – missing values</b> pdf for the arithmetic, Flashback 4 and then the Problem of the Day challenge.</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Eid Al, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will be researching Athens and Sparta in preparation for the balanced argument you will write on Tuesday and Wednesday.</p>	<p>SPAG</p> <p>Complete <b>SPAG questions pdf</b>. You can have a look at how you have done from the <b>SPAG answers pdf</b> sheet.</p> <p>Computing We would like you to research Ancient Greece. You can present your findings as you wish (using ICT would be preferred, but don't worry if you don't have access as you can still present your findings on paper. Remember to use your internet safety learning and to only use information from reliable sources. (Please record any sources that you have used). You can also check that the information is</p>

	<p>The next step is to choose which activity to complete. <b>Monday 1.2.21 A or B.</b> A is easier than B.</p> <p>Once they have completed that activity they then choose a <b>Problem A, Problem B or Problem C</b> sheet.</p> <p>They can now go back to the Plenary 'True or False' question.</p>			<p>correct by using multiple sources.</p> <p>MUSIC</p> <p>Mr Newton has attached a document– enjoy.</p>
Daily challenge / Did you know?	Can you find out what some of the Greek gods and goddesses were gods of? For example Athena was the goddess of war, reason and wisdom.
