

Dear Children,

DATE 8/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

Monday	<p>The White Rose Maths videos have warm up and practise questions which can help support the children's learning. There video linked to today's lesson can be found in the link below (Substitution):</p> <p>https://whiterosemaths.com/homelearning/year-6/spring-week-5-number-algebra/</p> <p>Please use the pdf 8.2.21 Substitution pdf for the arithmetic, Flashback 4 and then the Problem of the Day challenge. The next step is to choose which activity to complete. Monday 8.2.21 A or B. A is easier than B. Once they have completed that activity</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about fire drills; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will be completing your SPAG challenges. Then, think about features of a non-chronological report and record what your subheadings will be for your non-chronological report.</p>	<p>SPAG</p> <p>Complete SPAG questions pdf. You can have a look at how you have done from the SPAG answers pdf sheet.</p> <p>Computing SAFER INTERNET DAY activities Please follow the information on the slides. Here is the link for the video mentioned https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2021/i-am-educator/safer-internet-day-films/films-5-11-year Here is the link for the quiz mentioned</p>

	<p>they then choose a Problem A or Problem B sheet.</p> <p>They can now go back to the Plenary 'True or False' question.</p>			<p>https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2021/safer-internet-day-2021-quiz</p> <p>MUSIC</p> <p>Mr Newton has attached a document– enjoy.</p>
