

Dear Children,

DATE 28/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Thursday	<p>The White Rose Maths videos have warm up and practise questions which can help support the children's learning. There are two videos linked to today's lesson and they can be found in the link below</p> <p>(Percentage of an amount (1) and (2)): https://whiterosemaths.com/homelearning/year-6/spring-week-4-number-percentages-2/</p> <p>Please use the pdf 28.1.21 Percentage of an amount pdf for the arithmetic, Flashback 4 and then the Problem of the Day challenge (this replaces the Barvember</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Alan Turing; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today in your writing you must read what you written yesterday – edit and improve. Then write the next 2 paragraphs of your work – be careful to include impressive vocabulary. (We will write the final part tomorrow)</p>	<p>Please see the Y6 Art – Greek masks slides.</p>

	<p>challenges from previous weeks).</p> <p>The next step is to choose which activity to complete. Thursday 28.1.21 A or B. A is easier than B.</p> <p>Once they have completed that activity they then choose a Problem A, Problem B or Problem C sheet (Sometimes A and B or B and C will be on the same sheet).</p> <p>They can now go back to the Plenary 'True or False' question.</p>			
Daily challenge / Did you know?	Did you know that Aristotle tutored Alexander the Great? If not research both of these people to learn more about Ancient Greece.
