

Dear Children,

DATE 19/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Tuesday	<p>Please use the pdf 19.1.21 Fractions to decimals pdf for the arithmetic, Flashback 4 and then the Barvember challenge (the children will know which Barvember problems they usually attempt.)</p> <p>They can then watch the White Rose Maths video 'Fractions to decimals (2). https://whiterosemaths.com/homelearning/year-6/spring-week-3-number-percentages/ You can watch video (1) for more context if you wish. https://whiterosemaths.com/homelearning/year-6/spring-week-2-number-decimals/</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about William Shakespeare, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will work through your SPAG challenges and then read the next few pages of the Odysseus story. Make sure you take it in, as it will help with your learning for the next couple of weeks. Afterwards, you have to write a 1-paragraph description of the cyclops. Your version of the cyclops will be slightly different from everybody else's, so do not worry about doing it wrong!</p> <p>This will help with your longer piece of writing later this week (a setting description of the cyclops' cave)</p>	<p>History – You will be learning about the Olympic games today – they have a link to Ancient Greece (our topic). Read through the slides and watch these videos please to help with your learning.</p> <p>2012 Olympics - https://www.youtube.com/watch?v=gKJDjg4ebNQ</p> <p>Ancient Greek Olympics – https://www.youtube.com/watch?v=jA6Y7gG3Ols</p>

	<p>All children are to complete question 1- 4 on the slides, then choose Column A, B or C on the slides to answer q5-12.</p> <p>After this, they can complete the Problems A, B or C from the separate sheet.</p> <p>After this, they are to answer the plenary true or false statement.</p>			
Daily challenge / Did you know?	Zeus married his Hera – his sister....
