

Dear Children,

DATE 20/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Wednesday	<p>Please use the pdf <b>20.1.21 Understand percentages</b> pdf for the arithmetic, Flashback 4 and then the Barvember challenge (the children will know which Barvember problems they usually attempt.)</p> <p>They can then watch the <b>White Rose Maths video 'Understand percentages'</b>. <a href="https://whiterosemaths.com/homelearning/year-6/spring-week-3-number-percentages/">https://whiterosemaths.com/homelearning/year-6/spring-week-3-number-percentages/</a></p> <p>The children are to complete the sheet <b>Understand percentages</b> pdf.</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Stormszy, this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will work through your SPAG challenges. Then, read the next instalment of the cyclops story. Complete the table relating to your 5 senses. Remember it's up to you what your cave will be like....</p>	<p>PE</p> <p>Please see the slides for the details regarding the PE sessions.</p>

	<p>After this, they can complete the <b>Problems</b> pdf as an extension challenge.</p> <p>After this, they are to answer the plenary true or false statement.</p>			
Daily challenge / Did you know?	The word marathon comes from Ancient Greek – a man once ran 26 miles to pass a message on and died on the spot after he'd delivered it.
