

Dear Children,

DATE 27/1/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

In addition, we will send the PDF of a comprehension about Stephen Hawking; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>1<sup>st</sup> job is to study your plan from yesterday – make sure you're happy with it. If not you can pinch the one we've made for you.</p> <p>Write your first 2 paragraphs, remember you're starting from this point....</p> <p>"Zeus, don't you know what I am? I am a Cyclops. We Cyclopes are the son of the Sea God Poseidon. We have no fear of your blustering Zeus. 	<p>The next step is to choose which activity to complete. <b>Wednesday 26.1.21 A, B or C.</b> A is easier than B, which is easier than C.</p> <p>Once they have completed that activity they then choose a <b>Problem A and B or Problem C</b> sheet (A and B will be on the same sheet).</p> <p>They can now go back to the Plenary 'True or False' question.</p>			<p><a href="https://www.youtube.com/watch?v=I7rSCdpRLrI">https://www.youtube.com/watch?v=I7rSCdpRLrI</a>  <a href="https://www.youtube.com/watch?v=JnlMreaOwWk">https://www.youtube.com/watch?v=JnlMreaOwWk</a></p>
