

Dear Children,

DATE 5/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Friday	<p>Please use the pdf 5.2.21 Arithmetic and challenges pdf for the units conversion starter, Flashback 4 and then the Problem of the day challenge.</p> <p>Children are to complete the Arithmetic test pdf questions.</p> <p>They can then watch the White Rose Maths video 'Day 5 – Special Delivery Problems slides (both options show the questions). If you are using the slides or video, remember to stop on the slides/part that says, 'Have a think,' as these show the questions (after</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about lottery winners; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will be completing your 'tree face' writing – check and edit before sending in your final 2 paragraphs</p>	<p>PHSE – young people's mental health week.</p> <p>Please use the Emotions activity pdf</p> <p>Please watch the video 'Talking Mental Health (subtitled)' from the link below (it is the first video from the top of the page). (You may want to watch it after you have completed the activities, or watch it before the activities if you are unsure of some of the answers to the questions.)</p> <p>https://www.annafreud.org/schools-and-colleges/resources/talking-mental-health-animation-teacher-toolkit/</p>

	<p>which come the solutions).</p> <p>https://whiterosemaths.com/homelearning/year-6/activity-week/</p> <p>For problem 1, you may want to use some number lines. For problem 2, a bar model may help.</p>			<p>The activity requires knowledge of the Cinderella story. If you need reminding of this you can find a short audio version of the story by following the link below and entering the PIN ES0635</p> <p>www.twinkl.com/go</p>
Daily challenge / Did you know?	Icarus tried to fly to the sun – find out how he got on....
