

Dear Children,

DATE 4/2/21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	OTHER SUBJECT AREA
Thursday	<p>The White Rose Maths videos have warm up and practise questions which can help support the children's learning. The video linked to today's lesson can be found in the link below (Forming expressions): https://whiterosemaths.com/homelearning/year-6/spring-week-5-number-algebra/</p> <p>Please use the pdf 4.2.21 Forming expressions pdf for the arithmetic, Flashback 4 and then the Problem of the Day challenge and the slides with information on. The next step is to complete the Forming</p>	<p>For your reading today, we will be expecting you to do 30minutes reading from a book of your choice (how kind). In addition, we will send the PDF of a comprehension about Ibn Battuta; this must be completed and marked by yourself. The stars on the bottom of the sheet indicate the difficulty, (1 = easy, 3 = difficult) similarly to your maths work in school we let you decide your level of challenge, but please just complete 1, not all 3!</p>	<p>Today year 6 you will be writing the first 2 paragraphs on the picture on the slides – be creative.</p>	<p>Art</p> <p>Your art today is based on Greek mosaics. The PowerPoint is too big to send on parent mail so will have to be accessed via the school website – just search yarm primary school Home learning Year 6 Week 5 Thursday</p> <p>And the art PowerPoint should be there which you'll have to download...</p>

	<p>expressions activity sheet.</p> <p>Once they have completed that activity they then choose a Problem A or Problem B sheet (A is easier than B).</p> <p>They can now go back to the Plenary 'True or False' question.</p>			
Daily challenge / Did you know?	One look from Medusa could turn you to stone, how would you defeat her?
