

Activity 3: Creating pirate rules

Imagine you were a pirate.

Create a list of rules you will always follow in order to be the best pirate in the world. Try and create at least five rules.

- Make sure your sentences use capital letters and correct punctuation.
- Use words that contain the suffix -ly.
- Using joining words, like **and** or **because** to explain your rules.

Here are two examples to help you:

Always act safely and be careful.

Climb the ladder slowly because you could fall.
