

## Year 4 Writing Challenge 9

### A Changing World

#### 1. Answer the Talking Picture Questions

##### **Talking Pictures**

Do you think technology is a good thing or a bad thing? Can it be both?

Would you rather live in a city or in the countryside?

What can we do in the future to look after our planet? What do you do already?

If you could ask the world a question, what would it be?

#### 2. Take the Writing Challenge - use the story starter sentences to start your story

##### **Writing Challenge**

Earth is being transformed into a modern age of grey. It seems to be what people want; roads, skyscrapers and machines. The grass is disappearing... The lonely, pleading trees and plants are vanishing... Wildlife all around me is reluctantly surrendering to a new enemy. Nature is being consumed. My friends are leaving. Soon it will be my turn.

##### **Spelling Year3/4 Word List**

The following words are from the Year 3/ 4 spelling list. Use some of the different strategies we discussed at the beginning of the year to learn how to spell the word - pyramid, diamond, mnemonics, pictures etc and write an **extended sentence** to include each word. You could then try the Growth Mindset Challenge. Give it a go!

**Growth Mindset Challenge** - Can you write a story that includes all the words?
