

## **Activity: Writing a postcard**

Imagine you've been Antarctica too. Write a postcard explaining what it was like there.

- Decide who you're writing the postcard to. It could be someone in your family, a friend or even your school teacher.
- Make sure all your sentences include a capital letter at the start and some punctuation at the end.
- Include some statements in there too (you can use the ones from activity two if needed).
- Try using commas to list some of the things you saw. For example: When I first arrived in Antarctica I saw lots of snow, ice and water.
- Remember to finish your postcard with an ending like 'lots of love' or 'from'
