Enquiry Question: How do people help keep us safe?

Subject Specific Vocabulary			Sticky Knowledge
Special	Something that is better than what is usual.	For the following half term, our PSHCE topic will be around care and responsibility. We will explore how special people care for us and how we keep safe.	I can name special people in my life and why they are important to me.
important	Something that has serious meaning or worth		
care	To look after someone or something.		
safe	To protect someone or something.		
Worried	To feel troubled about something.		I can identify feelings of worry, anxiety or fear and where people might feel these. I can also name people who can help me when I feel this way.
nervous	Feeling frightened or worried about something.		
scared	To feel frightened about something		
Help	To make something easier for someone.		I can describe ways I can keep myself and other people safe and some of the rules we have to keep us safe.
Helper	A person who helps someone.		
Rules	A set of instructions that are agreed and followed.
