

Dear Children,

DATE 8.1.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Science
Friday	<p><u>Key vocabulary</u> number bonds addition plus add total altogether sum partition tens ones</p> <p>Work through the power point (reinforce language if possible). There is also a video of the power point that you can follow at https://whiterosemaths.com/homelearning/year-1/week-2-number-addition-and-subtraction-within-20/ (add ones using number bonds 2nd video)</p>	<p>Over the week we have been looking at the alternative spellings for the long vowel sound 'ai'. Can you go on a walk around your house and spot any words that have these sounds in? Can you write a list of words? Can you add some sound buttons underneath your words?</p> <p>Listen to each of the sentences and see if you can write them correctly on your piece of paper. Make sure you are using your knowledge of the alternative spellings for 'ai'.</p> <p>Daily Reading (15 minutes)</p>	<p>https://www.bbc.co.uk/bitesize/articles/z3pxjsq - based on proof reading you work and checking your sentences make sense.</p> <p>Watch the BBC bite size video – complete activities.</p> <p>Activity 1 Let's take a closer look! There are some mistakes in the sentences in this quiz. Read each sentence out loud and match the sentence with the mistake</p> <p>Activity 2 Let's do some checking! Read the sentences in this quiz out loud and then click on where you think the mistakes are.</p> <p>Top tip!</p>	<p>We are going to be focussing on materials this half term in Science. What is a material?</p> <p>A window is an <u>object</u>, the <u>material</u> it is made from is glass. Can you think of other examples?</p> <p>https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/z9pgcdm watch video on material we use.</p> <p>The other day when it was raining, I went to get my umbrella and noticed it was torn. I don't have time to get a new one, so I need your help to repair it.</p>

	<p>Complete the worksheet based on number bonds.</p>		<p>The question will tell you how many mistakes to look out for. You can talk about the answers with a partner before you click.</p> <p>Activity 3 Let's fix some sentences! Read the short paragraph below and try to spot the mistakes. There are seven to look out for. Find paragraph attached on power point from the Queen's knickers. Remember to re write it in your beautiful handwriting.</p>	<p>What does an umbrella do? What sort of fabric is used for an umbrella? What properties will it need? How can we test to see if a fabric has these properties?</p> <p>Complete worksheet</p>
