Dear Children, DATE 4.3.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via Class Dojo by 2pm, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

do it or not. Remind your child that it is always ok for				
that it is always ok for				
				someone to say 'No'. ☐ For

		example, if you are thinking of sharing a picture or video of someone else, you should always ask permission first.   If the answer is 'Yes', it is OK to do it. If the answer is 'No', it is not OK to do it.   Help your child complete the 'Asking for permission' activity below, by drawing a line to connect each situation with the right response, or pointing to the answer on screen.   Next, talk to your child about ways to ask for permission, using Jessie's questions as examples e.g. Is it ok if I?, Can I? Do you mind if I?. Try to model these sentence starters at home e.g. 'Is it ok if I brush your hair? 'Can I play with your toy?' and encourage your child to use them.  Ask your child to draw a picture of Jessie asking her pet dog for permission to play with him – e.g. asking Dog if she can pat him, brush his hair, ride on his back or tickle his ears! Encourage them to practice different ways to ask permission. What will Dog say? What should Jessie do?  PSCHE
--	--	--

				Recap the term proud – What does it mean to be proud? What are you proud of?  Explain that when we are good at something we feel
				proud – What are you good at that makes you feel proud?
				Ask the children to make a poster displaying what they are all good at. Encourage the children to find out what they are all good at. Create the poster and decide how to share the poster to the rest of the class (via class dojo).
Daily challenge / Did you know?	In the video it talked about cyclone season  During cyclone season, his family takes various precautions, taping up the windows and staying inside.  Are there any other precautions people might need to take during cyclone season? Can you have a look at some pictures of cyclones?			

## <u>Spellings</u>

In school, we would normally look at them, read them and put them in a sentence verbally at the start of the writing session. On an afternoon across the week, we would:

- write a list of all of them most days
- write them in sentences (sometimes dictated)
- discuss tricky parts of each word
- look, cover, say, write, check
- provide 3 possible spellings for the correct one to be selected
- check the children can say/write the spellings without support
