

Dear Children,

DATE 01.02.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Science
Monday	<p>Complete the Flashback 4 challenge</p> <p><u>Key vocabulary</u> tally groups of 5 total data statistics</p> <p>Work through the power point teaching slides 'Make tally charts' or watch the video at: https://whiterosemaths.com/homelearning/year-2/ (week 5, video 1)</p> <p>Have a go at creating some tally charts. You may wish to watch the traffic that passes your window and record this</p>	<p><u>See power point</u> Work through power point – the slides we would like you to look at will have Y2 in the corner.</p> <p>Work through the activities on the power point – recapping all of the inference questions we have looked at so far.</p> <p>This week we will be focussing on non-fiction texts and answering questions using the inference skills we have been learning about. https://www.bbc.co.uk/bitesize/topics/z2yycdm/articles/zty8xfr watch video about the difference between fiction and non-fiction.</p>	<p><u>See PowerPoint</u> We will be creating a fact book about Queen Elizabeth II this week. Each day, we will write a page of facts.</p> <p>Today, we are going to create a front page of our book and an introduction page.</p> <p><u>Spellings – common exception word</u> all ball call walk talk always small wall fall altogether</p>	<p>Work through the teaching slides looking at different materials and whether they are waterproof.</p> <p>Watch the video at https://www.youtube.com/watch?v=4nd42ISTOJI</p> <p>Sort the cards into those materials that are waterproof and those that are not.</p> <p>Test materials that are not waterproof such as paper and fabric. Add wax crayon or rub a candle on them and test again. What has happened?</p>

	as a tally, or perhaps the things you see if you go for a walk. You could tally the fruit in the fruit bowl, food in the cupboard..... the choice is yours.	Complete worksheet – Can you answer all of the different questions types using the text? Daily reading (15 minutes)	Write a list of your spellings. Adult to say 5 sentences with the first 5 spellings in. The child should write each sentence down. Have a go at the handwriting sheet. Today is the letter 'q'. Make sure you are sat correctly, have your paper angled and have a sharp pencil. Try and form each letter correctly using the guide at the top.	
Daily challenge / Did you know?	Did you know... Henry VIII had six wives? Can you find out the name of Henry VIII's wives?			

Spellings

In school, we would normally look at them, read them and put them in a sentence verbally at the start of the writing session.

On an afternoon across the week, we would:

- write a list of all of them most days
- write them in sentences (sometimes dictated)
- discuss tricky parts of each word
- look, cover, say, write, check
- provide 3 possible spellings for the correct one to be selected
- check the children can say/write the spellings without support
