

Week Commencing 27th April, 2020.

Dear Children,

We have put together a range of learning challenges for you to do at home. We would really like you to complete a **maths, reading and writing** each day as you would in school. We would also like you to complete the work as best you can, remembering that we expect 'beautiful work'. This is simply a guide but please feel free to complete the tasks as and when you feel appropriate through the week. We would also love for you to send us in the highlighted tasks via class dojo for us to see and for us to give some feedback too!
