

Dear Children,

DATE 08.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Topic – Zero Waste
Thursday	<p><u>Key vocabulary</u> Multiply Divide Array Equation Equals Same as Tens Ones</p> <p>Work through the power point on Related Calculations (reinforce language if possible). There is also a video of the power point that you can follow at</p> <p>https://vimeo.com/486330232</p> <p>If you have any issues accessing this video,</p>	<p>Read the story "The Happy Hunter and the Skilful Fisher."</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school: ~Look for any key words in the questions ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Don't forget to write your answers in full sentences!</p> <p>Daily Reading (15 minutes)</p>	<p>Today you are going to be writing a persuasive argument.</p> <p>Work through the PowerPoint PDF (English Persuasive Writing PowerPoint) which will show you the parts of the book that you need to read and explain your activities for the session.</p> <p>Your quick task, is to try and make a basket out of any materials you can find at home. If you can't find anything, don't worry! Just design something you could make if you did have the materials.</p>	<p>Work through the Session 1 Flipchart PDF. This will explain what we will be learning in our first session of our new topic, Zero Waste. It also explains your activities which I have outlined below:</p> <p>Activity: There are some pictures for you to look at on page 4 of the flipchart. Using the sheet called "Know, Wonder, Learned", fill in the "Know" box, thinking about what the pictures have told us about climate change. Then complete the "Wonder" box with any questions you might have about our new</p>

	<p>please get in touch via Class Dojo.</p> <p>Have a go at completing the worksheet based on Related Calculations.</p>		<p>Once you have done that, you will be writing a paragraph explaining why the basket that you have made or designed is so amazing! Why is yours the best? How is yours suitable for its job?</p>	<p>topic. Leave the "Learned" box blank.</p> <p>As you work through the flipchart, add anything else you learn to the "know" box or any more questions you might have to the "wonder" box.</p> <p>You will also be sent the reference map and world mapper images that are discussed on the flipchart. Have a look at these carefully. What do you notice about the carbon emissions on the world mapper?</p>
<p>Daily challenge / Did you know?</p>	<p>Did you know that 89% of people say that they recycle regularly, yet 91% of plastic is not recycled? Why do you think this is? How can we encourage people to do more?</p>
