

Dear Children,

DATE 22.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Art
Friday	<p><u>Key vocabulary</u> Multiples Groups Dividing Sharing Remaining Equal groups</p> <p>Work through the power point on Dividing 2 digit numbers by 1 digit numbers (Maths Divide 2 digits by 1 digit 3) There is also a video of the power point that you can follow at https://vimeo.com/494126561</p> <p>If you have any issues accessing this video, please get in touch via Class Dojo.</p>	<p>Read the non-fiction text "Garden Birds." (Reading Activity 22.1.21)</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school: ~Look for any key words in the questions ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today we are going to be writing a 100WC. This is your chance to show off!</p> <p>Work through the PowerPoint PDF (English 22.1.21) which will show you the picture that you will be basing your writing on.</p> <p>Look carefully at the picture and decide what the story could be. Then write a short story (please don't worry about counting words!) showing off all of the things you have learned in Year 3 so far. Remember your sentence types and of</p>	<p>Work through the PowerPoint (Art Activity 22.1.21)</p> <p>Look carefully at the images of art work on the PowerPoint. What do you notice about them? What material has been used? What is similar about them?</p> <p>Once you have looked at the images, your task is to create a piece of art work using only paper! It can be anything at all – be creative!</p>

	<p>The PowerPoint will provide additional support on dividing numbers when there is a remainder. It will show them how to use number lines and visual representations to solve this style of question.</p> <p>Once you have worked through the PowerPoint, complete the worksheet provided (Maths Activity 22.1.21)</p>		<p>course your capital letters and full stops!</p> <p>There is a success criteria checklist that you can use if you would like, however you do not have to use this.</p>	
<p>Daily challenge / Did you know?</p>	<p>Choose 10 different objects from your indoor and outdoor space. Draw a close up sketch of a tiny part of each object. Cut out your 10 sketches and challenge your family to hunt for the objects.</p>
