

Dear Children,

DATE 25.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Music
Monday	<p><u>Mental Maths</u> Complete questions 1-8 of the mental maths questions provided.</p> <p><u>Key vocabulary</u> Scaling Altogether Bar models Smaller than Bigger than Compare Fewer Less More</p> <p>Work through the power point on Scaling(Maths – Scaling) There is also a video of the power point that you can follow at https://vimeo.com/494127943</p>	<p>Read the text "FA Cup." (Reading Activity 25.1.21)</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school: ~Look for any key words in the questions ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today we are going to be researching into different uses for plastic</p> <p>Work through the PowerPoint PDF (English 25.1.21) which will show you the parts of the book that you need to read and outline your activity.</p> <p>Your task is to research different and innovative ways that plastic has been used, recycled and repurposed in different parts of the world. There are some clips below to give you some examples but you can add as many of your own ideas as you can think of!</p>	<p>On the school You Tube channel (Y.P Nation) there is a video of Year 3 from last year playing their recycled musical instruments.</p> <p>https://www.youtube.com/watch?v=FUa6hKxZIPs</p> <p>Listening Task – Watch the video and describe the Timbre of the different instruments (Last work sheet explains what Timbre means if you have forgotten)</p> <p>Look at the pictures of the drum kits made from junk.</p>

	<p>If you have any issues accessing this video, please get in touch via Class Dojo.</p> <p>The PowerPoint will show the children how to use bar models to compare different groups. The children have done quite a lot of work on bar models previously, so they should understand this!</p> <p>Once you have worked through the PowerPoint, complete the worksheet provided (Maths Activity 25.1.21)</p>		<p>https://www.onegreenplanet.org/lifestyle/beyond-plastic-10-eco-products-made-from-recycled-plastic/4/</p> <p>http://www.aljazeera.com/programmes/earthrise/2017/05/colombia-lego-homes-170531083443884.html</p> <p>https://www.aljazeera.com/program/episode/2013/2/5/garbage-homes-bolivia</p> <p>https://www.aljazeera.com/features/2016/8/14/the-woman-turning-rubbish-into-homes-in-pakistan</p>	<p>Can you list some of the items that have been used?</p> <p>Creative Task – Draw a picture of a drum kit made up of recycled waste or junk. Make sure you put labels on it to show what you would use.</p>
Daily challenge / Did you know?	Use the internet to investigate how many museums and galleries around the world have a virtual visitor experience. Which museum would you like to visit? Take a guided tour.
