

Dear Children,

DATE 25.02.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution. -

	Maths	Reading	Writing	Topic: Ancient Egypt
Thursday	<p>Work through the power point 'Equivalent Lengths mm and cm'. There is also a video of the power point that you can follow at</p> <p>https://whiterosemaths.com/homelearning/year-3/spring-week-7-measurement-length-and-perimeter/</p> <p>If you have any issues accessing this video, please get in touch via Class Dojo.</p> <p>The PowerPoint begins with three warm up questions.</p> <p>Next, it moves on to demonstrate equivalent</p>	<p>Read the text "Tutankhamun." (Reading Activity 25.2.21)</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school:</p> <p>~Look for any key words in the questions ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>The flipchart begins with a recap of the features of an Explanation text and the RUBRIC.</p> <p>It then explains that an Explanation text is written in chronological order – the order in which things happen. This is important as the mummification happens in a specific order.</p> <p><u>TASK</u> Today you will continue to complete your timeline planning sheet using the information texts and the links to the videos.</p> <p>Fill in as much information as you can as the more you do now, the easier it will be when</p>	<p>Work through the PowerPoint Topic Lesson 25.2.21. - 'Who Were the Ancient Egyptians?'</p> <p>This presentation is an introduction to our new Topic: <i>Ancient Egypt</i>.</p> <p>You will be encouraged to find out about ancient Egyptian life by looking at artefacts.</p> <p>By the end of the lesson you will be able to:</p> <p>Locate Egypt on a world map.</p> <p>Raise at least 2 questions about an artefact.</p> <p>Decide what an artefact might have been used for.</p>

	<p>lengths in cm and mm using a ruler, a number line and bar models.</p> <p>The last slide introduces representing cm and mm on a ruler together.</p> <p>Once you have worked through the PowerPoint, complete the worksheet provided.</p>		<p>it comes to writing up your explanation text.</p>	<p>Task: Choose one of the 'Ancient Egyptian Artefacts' activity sheets. Complete it by following the instructions on the sheet.</p> <p>Plenary: What you would like to find out about during our topic on Ancient Egypt?</p>
<p>Daily challenge / Did you know?</p>	<p>Use the following link to explore ancient Egypt. https://www.bbc.co.uk/bitesize/articles/zarkg7h#:~:text=Take%20a%20look%20at%20some%20ancient%20Egyptian%20artefacts,mmy%20mask.%205%20Shabti%20figure.%20More%20items</p>
