

Dear Children,

DATE 26.02.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

Friday	<p>Work through the power point 'Compare Lengths'. There is also a video of the power point that you can follow at</p> <p>https://whiterosemaths.com/homelearning/year-3/spring-week-7-measurement-length-and-perimeter/</p> <p>If you have any issues accessing this video, please get in touch via Class Dojo.</p> <p>The PowerPoint begins with three warm up questions.</p> <p>Next, it moves on to demonstrate comparing lengths and heights of</p>	<p>Read the text "All About Elephants." (Reading Activity 26.2.21)</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school:</p> <p>~Look for any key words in the questions</p> <p>~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today's lesson begins by introducing prepositions. Create a mind-map with as many prepositions as you can think of – use your English pack if needed. Now create a sentence using a preposition.</p> <p>Today we are going to focus on writing the introduction of our Explanation Text. You will need the notes you made on your timeline.</p> <p>Look at the timeline – what should be included in the timeline? Why?, Who? and What?</p> <p>The next few slides show an attempt at an introduction that includes the above but it can be improved by referring</p>	<p>Work through the PowerPoint: Art Lesson 'Elements of Art'.</p> <p>This will encourage you to:</p> <ul style="list-style-type: none"> * explore the different elements of art and * help you to understand that these elements, often used together, make up a final piece of Artwork. <p>In today's lesson we will focus on Pattern.</p> <p>Task: Complete the 'Duplication Warm-up Drawing Exercises' sheet.</p> <p>Focus on the shapes and the thicknesses of the lines within each pattern.</p>
