

Dear Children,

DATE 18.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Music
Monday	<p>Mental Maths – complete questions 1-8 of the mental maths questions provided. You will do the remaining questions tomorrow.</p> <p><u>Key vocabulary</u>                      Multiply                      Divide                      Partitioning                      Tens                      Ones                      Calculate                      Sharing                      Equal groups</p> <p>Work through the power point on Dividing 2 digit numbers by 1 digit numbers (Maths Divide 2 digits by 1 digit) There is also a video of the power</p>	<p>Read the non-fiction text "Carnival."</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school:                      ~Look for any key words in the questions                      ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today we are going to be looking at descriptive language.</p> <p>Work through the PowerPoint PDF (English 18.1.21) which will show you the parts of the book that you need to read and outline your activities for the lesson.</p> <p>Using the work sheet (English Activity 18.1.21), add key descriptive words from the descriptive passage of a rubbish dump in Manila.</p> <p>Then watch the following video</p>	<p>The worksheet (Music 18.1.21) will outline your activities for today.</p> <p>Your first task is to explore your home and find five objects that make interesting sounds when you tap them. What words can you use to describe the sounds?</p> <p>Your next task is to design and make your own musical instrument!</p>

	<p>point that you can follow at  <a href="https://vimeo.com/489844871">https://vimeo.com/489844871</a></p> <p>If you have any issues accessing this video, please get in touch via Class Dojo.</p> <p>The PowerPoint will show the children how to use partitioning to divide 2 digit numbers. For example, to divide 39 by 3, you can first:  9 divide by 3 = 3  30 divide by 3 = 10  And then add the answers together, so 39 divide by 3 = 13</p> <p>Once you have worked through the PowerPoint, complete the worksheet provided (Maths Activity 18.1.21)</p>		<p><a href="https://www.youtube.com/watch?v=pouuVkdVadk">https://www.youtube.com/watch?v=pouuVkdVadk</a></p> <p>Once you've watched the video, add more descriptive words into the four section of your grid worksheet.</p>	
<p>Daily challenge / Did you know?</p>	<p>Using a world map, pinpoint a place you'd like to find out more about. Find out some interesting facts about that place using the internet. Can you find out anything about how they look after the environment?</p>
