

Dear Children,

DATE 19.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Science
Tuesday	<p>Mental Maths – complete questions 8-16 of the mental maths questions provided (this is the same sheet as yesterday)</p> <p><u>Key vocabulary</u>                      Multiply                      Divide                      Partitioning                      Tens                      Ones                      Calculate                      Sharing                      Equal groups</p> <p>Work through the power point on Dividing 2 digit numbers by 1 digit numbers (Maths Divide 2 digits by 1 digit 2 ) There is also a video of the power point that you can follow at</p>	<p>Read the first scene of "Oliver Twist" (Reading Activity 19.1.21)</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school:                      ~Look for any key words in the questions                      ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today we are going to be writing a free verse poem.</p> <p>Work through the PowerPoint PDF (English 19.1.21) which will explain what a free verse poem is.</p> <p>Follow the link below to learn more about free verse poetry on the BBC Bitesize website:  <a href="https://www.bbc.co.uk/bitesize/topics/z4mmn39/articles/z8sf8mn">https://www.bbc.co.uk/bitesize/topics/z4mmn39/articles/z8sf8mn</a></p> <p>For today, you will need your worksheet from yesterday's lesson! Your task is to write your own free verse poem to describe the rubbish dump.</p>	<p>Work through the PowerPoint (Science Naming Bones PowerPoint).</p> <p>You must first try and draw the bones in your body. What do you think they look like? Then compare your drawing to the drawing of a skeleton on the PowerPoint.</p> <p>Using the Science Activity Sheet, have a go at labelling the skeleton with the common names we use for the bones in the body. All of the words are at the bottom of the sheet for you to choose from.</p> <p>Finally, have a look at the Science Scientific Names sheet to see if you can add the correct scientific names to your work.</p>

	<p><a href="https://vimeo.com/489845622">https://vimeo.com/489845622</a></p> <p>If you have any issues accessing this video, please get in touch via Class Dojo.</p> <p>The PowerPoint will build upon yesterday's learning, giving the children chance to consolidate their learning.</p> <p>Once you have worked through the PowerPoint, complete the worksheet provided (Maths Activity 19.1.21)</p>		Remember to try and include your words from yesterday's worksheet.	
Daily challenge / Did you know?	Keeping our hands clean is very important. Use the internet to find out why hand hygiene is so vital to human health.
