

Dear Children,

DATE 20.01.21

We are sharing your learning challenges with you to do at home. We expect that you will complete maths, reading and writing work each day just like you would in school. We would like you to complete the work as best you can, remembering that we expect 'beautiful work'.

We will send you your learning the evening before so that your parents can plan the day with you. Please upload your work via **Class Dojo by 2pm**, so we can see how you're getting on and provide you with feedback. After this time, we would like you to complete a further challenge linked to our topic.

If you cannot access the learning online, please get your parents to tell your teacher as soon as possible, so that we can find a solution.

	Maths	Reading	Writing	Computing
Wednesday	<p>Mental Maths – complete questions 1-8 of the mental maths questions provided. You will do the rest tomorrow!</p> <p><u>Key vocabulary</u> Divide Representations Equal parts Equal groups Sharing Partitioning Place Value Exchanging</p> <p>Work through the power point on Dividing 100 into equal parts (Maths Divide 100 into 2, 4, 5 and 10 equal parts) There is also a video of the power point that you can follow at</p>	<p>Read the non-fiction text "Pet Care of a Cat."</p> <p>Once you have read and understood it, answer the questions based on what you have read. Think really carefully about the questions and remember our work in Guided Reading in school: ~Look for any key words in the questions ~Read the text again and underline the key words from the questions.</p> <p>This should help you find the answers.</p> <p>Remember to write in full sentences.</p> <p>Daily Reading (15 minutes)</p>	<p>Today we are going to be investigating instructional language.</p> <p>Work through the PowerPoint PDF (English 20.1.21) which will show you the parts of the book that you need to read and outline your activity.</p> <p>Watch the following video of Isatou Ceesay explaining how to make plastic purses https://www.youtube.com/watch?v=1zZw7yrl22M&feature=youtu.be</p> <p>Once you have watched the video, your task is to attempt to make your own</p>	<p>Work through the PowerPoint (Computing – Trust Me Primary Lesson 2)</p> <p>This lesson is all about online communication and how trustworthy it is. The PowerPoint will explain your activities for the session.</p> <p>Task 1: Sort the nine messages into a diamond shape from most trustworthy to least trustworthy. If you are unable to do this in a diamond shape, just list them in order!</p> <p>Task 2: Write a checklist of things you would look out for to judge if a message is trustworthy.</p>

	https://vimeo.com/489848691 If you have any issues accessing this video, please get in touch via Class Dojo. The PowerPoint will show the children different ways to share 100 into equal parts. There is no separate worksheet today. On the last page of the PowerPoint, there are some blank 100 square grids. The children must use them to show different ways of sharing 100 into equal parts.		purse! Pay attention to the instructional language that is used and exactly how you make your purse. Tomorrow you will be writing a set of instructions, explaining how to make the purse!	Task 3: Sort the reasons for messaging into public or private
Daily challenge / Did you know?	The human race is interconnected. Make a friends and family tree to show your network. Start with you and build outwards. How many people are you connected to?
