

Dear Children,

We have put together a range of learning challenges for you to do at home. We would really like you to complete a **maths, writing** and **topic** each day as you would in school. We have suggested an activity of one of each in red for submission to your Class Dojo profile. We would also like you to complete the work as best you can, remembering that we expect 'beautiful work'. This is simply **a guide** but please feel free to complete the tasks **as and when you feel appropriate** through the week.
