

Dear Children,

We have put together a range of learning challenges for you to do at home. We would really like you to complete a **maths**, **writing** and **topic** each day as you would in school. We have suggested an activity of **one of each in red** for submission to your Class Dojo profile. We would also like you to complete the work as best you can, remembering that we expect 'beautiful work'. This is simply **a guide** but please feel free to complete the tasks **as and when you feel appropriate** through the week.
