

YEAR 4 MUSIC ANGLO SAXONS III - LYRES

Here are some Anglo Saxon lyres.

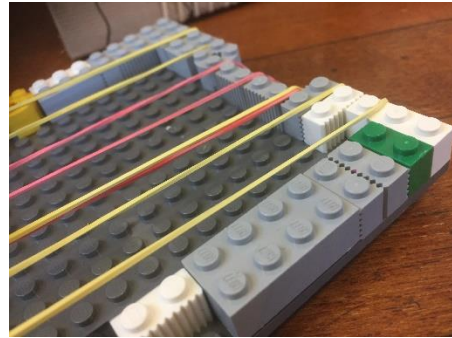

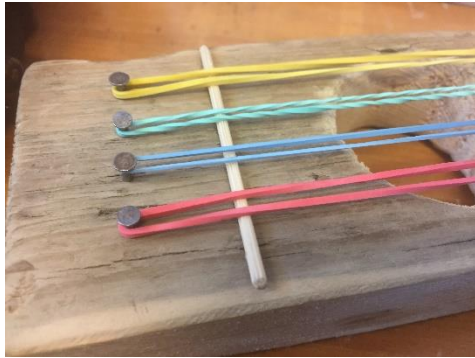

Watch these videos showing Lyres that the children created in Year 4 last year. The links are below (You can also access them on our Y.P Nation You Tube Channel). I've also put some photos on from 2018

<https://www.youtube.com/watch?v=fXk7f3FEnh4>

<https://www.youtube.com/watch?v=wrxxk3aD5Qw>

1. List some of the materials that the children used from the videos
2. How did they decorate them?
3. How did the strings sound different pitches?
4. How were they played?
5. Which was your favourite and why did you like it? (you can write down the video time to show where it is on the clip)

Task - Make your own lyre from recycled or unwanted materials. (You might need a help from an adult for any tricky bits.) They don't have to look exactly like the Anglo Saxon ones but they must have strings which make a sound.

Why not decorate it

* take a photo

*make a sound recording of it
