Families and Committed Relationships

Key Vocabulary

Suggested Activities

'Sticky' Knowledge

conceive

Create an embryo by fertilising an egg.

reproduction

Producing offspring by sexual or asexual reproduction.

budget

To control/set limits for spending of money.

commitment

Being dedicated to something/someone.

relationship

The way in which two or more people or things are connected.

legal

Permitted/allowed by law.

consent

Permission or agreement to do something.

Find out how someone you know with children (e.g. family, friend) budgets for everyday life and why this is important.

Choices Some couples choose to adopt a baby or child if they want to start a family but can't conceive naturally. Many couples also adopt or foster children after having children of their own.
