Task - Imagine you had to create a soundtrack for a movie around this story. Select 4 short scenes from the story. Write down what scene it is and answer the following questions

- 1.) What instruments would you select for the scene?
- 2.) Why have you made those choices?
- 3.) What would the music sound like?

Elements to help you answer

Tempo- How fast or slow

Dynamics - How loud or quiet

Texture - How many sounds play at the same time

Pitch - How high or low a sound is
